Sharp fall in foreign investment proposals

Local investment proposals rise 48.13pc: Bol

Foreign investment proposals fell 73.53 percent in the first quarter of the year from the previous quarter, mainly due to a volatile political environment.

Commitments by foreign investors stood at Tk 1,046.66 crore during January-March, down from Tk 3,954.78 crore in October-December last year, according to the Board of Investment.

The number of investment projects from foreign investors or joint ventures also dropped in the first quarter; only 24 investment proposals including eight fully-foreign investment proposals were registered at Bol. The number was 30 in the previous quarter.

BD to earn \$1.2m by exporting bandwidth to India

Cabinet endorses deal signing

The country will earn US\$ 1.2 million (Tk 9.42 crore) annually by exporting unused internet bandwidth to India. The cabinet on Monday approved a proposal for signing an agreement with India to this end.

"The state-owned Bangladesh Submarine Cable Company Ltd (BSCCL) is going to ink the deal with Bharat Sanchar Nigam Ltd (BSNL) of India for supplying 10 gigabyte per second (Gbps) bandwidth to India's north-eastern states on lease and commercial basis," cabinet secretary Muhammad Musharraf Hossain Bhuiyan told journalists after the regular weekly cabinet meeting.
